Dear Colleague

**Re: FA Charter Standard Renewal**

According to our records your club is due for its three year renewal.

To renew your FA Charter Standard Club award please complete the attached form and return it to your County Football Association as soon as possible, but no later than the date given by your County FA in their covering letter.

A lot of clubs have told us that they have found The FA Charter Standard helpful in providing the club with a focus in attracting players, volunteers and sponsors. I do hope that is the case with your club.

We are very proud of our FA Charter Standard Clubs and all they are doing to raise standards in grassroots football.

Many thanks to you and all your volunteers and we look forward to renewing your FA Charter Standard Club award.

Yours sincerely
